

BLACK SATIN SPRAY

ET854001-BS, 400ml black

Product

All purpose, mat weather-resistant 1K acrylic topcoat for indoor and outdoor areas. Very good flow, high coverage and excellent visual properties.

Substrates

Suitable for metallic substrates. In case of high mechanical demands and especially in case of critical substrates like aluminium or zinc coated surfaces, the substrate should be pre-treated with a suitable primer. Suitable for wood, glassware, ceramics and various types of plastics. The compatibility should be checked in advance. Not suitable for PS, PE, PP and PP/EPDM. Do not apply on parts coated with ENAMELS.

Surface Preparation

Sand and degrease the surface thoroughly.

Application Conditions

Shake vigorously before spraying.
